WICHITA MARKETS

The Receipts of Stock at the Wichita Union Stock Yards for the Past 28 Hours Were: Cattle, 72; Hogs, 1152; Shipments: Cattle, none. Sheep, none. Hogs, none; Horses and Mules, None.

WICHITA, Aug. 23.

Cattle receipts were liberal and there was considerable trading. There was a preponderance of common stuff on the market which was not so quickly in selling, but all the medium to good grades found good sale. There was very little done until after 2 o'clock. It seemed that the buyers and sellers could not get together, but when the cattle began to move, all sales were quickly made. The market on choice stuff is strong and on other grades steady.

The quotations here presented are to give the various classes and grades of stock within the limits of the market, according to the quality of the stock and the state of the daily market. These quotations are subject to change when there has been a material change in the market. The quotations are representative of the market and are not to be taken as a basis for speculation.

The following are the representative prices of cattle and hogs today:

No.	Description	Ave.	Price
1	Good stock sheep, 100 lbs.	100	1.25
2	Good stock sheep, 100 lbs.	100	1.25

9	Good stock sheep, 100 lbs.	100	1.25
10	Good stock sheep, 100 lbs.	100	1.25

Fresh hog receipts, 1,152. Most of the arrivals came in on late trains and consequently most of the trading was done on the afternoon market. Whittaker was the principle buyer and took all the offerings readily. He bought up load after load at good prices and left the yards clear for a fresh start tomorrow. Hogs sold about steady at yesterday's quotations. Tops \$5.50. Bulk of sales \$5.35 to \$5.42 1/2.
